your ability to hear properly.*

### **HOW DID YOU DO?**

Your answers to these questions only provide an early indication of whether your hearing is impaired or not. If you answered "yes" to just 1 or 2 of these questions you may not need our assistance just yet. If you answered "yes" to 3 of these questions, you may be experiencing some hearing loss. If you answered "yes" to 4 or more of these questions, we urge you to attend our Free Special Event and ask for a complimentary hearing consultation.
